

OUR MISSION STATEMENT

The Friends of Fort Totten Parks will strive to make Fort Totten the best park possible. Our organization will work directly with The New York Department of Parks & Recreation to provide a variety of passive recreational experiences , cultural events , educational programs, services, facilities and lands that meet the needs of our community.

RECENT NEWS

The Visitors Center was recently opened to the public after an extensive restoration to one of the fort's original buildings. Located in the northwest section of the park, it is an ongoing museum of Fort Totten history.

A Park Tram Service The free & environmentally friendly tram is operating along a route to serve the park and events making frequent stops throughout.

A Park Comfort Station (restrooms) will be installed at the entrance to the park.
